

ABOUT US

Located in Atlanta's historic Westside, Atlanta Contemporary is one of the premier contemporary art organizations in the Southeast. Built in the 1920's, the 30,000 square-foot campus boasts beautiful indoor and outdoor spaces well-suited to host a wide range of events including: wedding ceremonies and receptions, private and corporate parties, lunch & learns, meetings, and film shoots. The ever-changing exhibitions feature the work of local, national, and international artists, offering a cutting-edge setting for your event.

Atlanta Contemporary engages the public through the creation, presentation, and advancement of contemporary art. We welcome the opportunity to expand our community by allowing our campus for private events by individuals and groups. Such use must align with Atlanta Contemporary's mission. Atlanta Contemporary cannot host political events.
