ATLANTA CONTEMPORARY

Changing the way you see art.

About Atlanta Contemporary

Atlanta Contemporary engages the public through the creation, presentation and advancement of contemporary art. Founded in 1973 as Nexus, a grassroots artists' cooperative, Atlanta Contemporary has since become one of the southeast's leading contemporary art centers. We play a vital role in Atlanta's cultural landscape by presenting over 100 consequential artists from the local, national, and international art scenes through our various exhibition and project spaces each year. We are one of the few local art organizations that commission new works, paying particular attention to artists of note who have not had a significant exhibition in the Southeast. Additionally, we organize 100+ diverse educational programs annually including Contemporary Kids, Contemporary Cocktails, Contemporary Talks, Movement Love and more! Atlanta Contemporary provides on-site subsidized studio space to working artists through the Studio Artist Program, removing cost as a barrier to the creative process.
